**All I ask is that you avoid devaluing the products. This hurts not only me, but also you and everyone else trying to sell these.** 🙄

In order to maintain the high value of the products I create **AND** to avoid people engaging in 'Price Wars' by simply trying to sell for less than their competitors, I have the following pricing suggestions.

Suggested **Minimum** Retail - \$17 or more.

**If you choose to sell for less than the suggested price then you will be devaluing these products and your license will be made null & void.**

I understand that there is a market for low-priced products and if this is the market you are targeting then I ask you kindly to not purchase my products.

There are many other products you can locate & purchase that have a lower price point and you would be able to sell in the lower-priced market place.

**I reserve the right to revoke this license if any of these rules are broken.**

**Thank you for helping maintain the value of these products by complying with these terms.**
